A Thousand Tongues

Could not express the rapture of Annie E. Springer, of Philadelphia, when Dr. King's New Discovery cured her of a hacking cough that for many years had made life a burden.

Dr. King's New Discovery is guaranteed to cure all troubles of the Throat, Chest or Lungs. Price 50c and \$1. Evans Bros. drug store.

Mrs Chas Rush is again around after being down with typhoid fever.

After being put to the very hardest strain for the past three months in caring for the sick members of her family, Mrs Bolin was taken down on Wednesday of last week and her recovery cannot be hoped for until sufficient time has elapsed for typhoid fever to run its regular course.

Not so much as a matter of news do we mention the death of Roy Bolin which occurred on Saturday evening at 9 o'clock after an illness of about a week, as all eyes are turned toward this scene of affliction and every variation in the progress of the disease is noticed with the most intense interest, and those living remote are making constant inquiry as to the condition and welfare of the family.

It is but natural that this another stroke from the hand of death should be widely known before our items get into print, but in order to do our duty as a correspondent and to offer our sympathy and condolence in common with the people of this vicinity, we give this brief notice of one who on account of his agreeable temperament and his willingness to always obey his parents made him a great comfort to the household. He was about 11 or 12 years of age.

Burton J. Mitchell Writes

In a letter dated San Isidro, September 18, and received in Iola Wednesday, Burton J. Mitchell, serving on the staff of General Funston, says among other things:

"I am well as usual. Had a touch of fever but am over it now and am feeling fine.

"There is not much news here. The insurgents have been displaying some unusual activity lately for the benefit of Bryan—we call their attempts, Democratic volleys.

"I do hope McKinley will be re-elected for these people are counting so much on Bryan that there will be no living with them if he should happen to be successful.

"I suppose there is a hot campaign on in Kansas and I would like to be there and take part. The Chinese campaign has considerably disarranged the mail here. Regards to everybody."

Married at the Church.

The Baptist church was prettily decorated Wednesday for the wedding of Dr. L. B. Gladfelter and Miss Hattie Hook. The pulpit was a bower of flowering plants and an arch had been built of roses in front of it. To the strains of the wedding march played by Miss Clara Harris the wedding party marched up the aisles and took their positions beneath this archway.

Rev. Weimer pronounced the wedding ceremony, the ring service being used. The bride was handsomely and becomingly gowned and was accompanied by Miss Anna Woodin. The groom was supported by Mr. Fred Moore.

The church was filled with the invited friends of the young people and after the ceremony they were showered with congratulations and good wishes. Many handsome presents were received. The young people expect to leave in a few weeks for southern California to spend the winter.
